

Always try to wear your uniform smartly. You must have your name in everything, including P.E. kit so that things don't get lost or mixed up. P.E. and Dance will be on a Tuesday, Wednesday and Friday. Please make sure you have the correct P.E. kit.

Always remember to read your books at home and bring your school reading book in every day. You do not need to ask if you can change your book. You can do it during morning work each day. Be warned, one of the adults in class may want to chat with you about what you've read!

Fruit is available at break times but if you wish to bring in your own snack to keep you going it needs to be healthy. So no chocolate biscuits, sweets or crisps!

Water will still be available in class but we now ask that you bring your own named bottle.

A small illustration of a red alarm clock with a green face and hands, showing approximately 10:10.

You may need to arrive and leave school at a different time to your friends. Do not worry about this. We will work hard to make this as easy as possible. You won't miss out on any learning, or have to do any extra!

## Welcome to Squirrel Class

Make sure you do your best at school and home. Try doing your homework by yourself in a quiet place, so that you can practise the things we have been doing in school. If you have any difficulties you can always talk to us about it, or a grown up could write a note on your homework. Homework will be given on a Wednesday and must be handed in on the following Monday. It will generally consist of spellings, a reading comprehension and maths.

A cartoon illustration of a child with dark hair, wearing a white shirt and red pants, sitting cross-legged and reading a yellow book.

You will need to bring your own named pencil case to school. You should have a writing pencil, ruler, rubber, pencil sharpener and colouring pencils but please no felt pens or biros.

A small illustration of a set of colorful pencils fanned out.

We must continue to wash our hands well. We wash our hands when we arrive and before we leave. We always wash hands before eating and after sneezing, coughing or using the toilet.

A small circular illustration with the text "I ❤️ CLEAN HANDS" and a red heart.

Our first topic is Safari.

Do you know anything already? What would you like to find out?

Try and read some books on the topic together over the summer that you can tell us about in September.
