

Parent Homework

July 2020

Dear Parents and Carers,

No-one knows your child better than you do. As a parent, your perception of my student is a valuable resource. The more I know and understand about your child, the more effective I can be as a teacher. Having had such a long break from school, I appreciate your child may well find the transition challenging.

I would appreciate your participation in a 'parent homework' that will be of great value to me. Sometime over the holiday, please write me a letter introducing your child.

You might want to include a brief biography, problems, special abilities, fears, strengths and weaknesses. You might also want to tell me about your expectations for this school year: from me, your child and the school. Include any information that you want me to keep in mind while I work with your child.

I am looking forward to reading your letters and will respond to any issues and/or concerns during the October Parent Evenings. Thank you for taking part in this homework. All letters will be kept confidential.

Kind regards,

Sarah Santry

Due date: Friday 11th September.
