

Me in a bag

If you had to describe yourself using only items in a bag, what 5 things would you put in? Draw 5 pictures that best describe you as a person. You could write a little explanation to go alongside if you wanted to add more information. Also feel free to decorate your bag however you like. Don't forget who is in the bag!

Here is my example, have a go on the blank bag on the next page.

Mr Freeman in a bag

I love the summer. It is my favourite time of the year.

I love sport, especially rugby and cricket.

My dog, Luna, is a white Labrador.

Harry Potter is my favourite book set.

As a special treat, I love a piece of chocolate or two.
