

KS2	Maths is all around us
Task 1	<p>See the value in every activity!</p> <p>Encourage the children to time, measure and record their challenges. Can you assign the correct points? Does anyone earn Gold, Silver or Bronze points? Can you add up your total?</p>
Task 2	<p>Year 3 - https://www.bbc.co.uk/bitesize/articles/zmtx8hv Year 4 - https://www.bbc.co.uk/bitesize/articles/zsrgp4j Year 5 - https://www.bbc.co.uk/bitesize/articles/zbdwg7h Year 6 - https://www.bbc.co.uk/bitesize/articles/znd9ydm</p>
Challenge	<p>How long is your garden in m? How long is your garden in cm? How many times would you need to run up and down your garden to complete an Olympic 800m race? If a pupil is 128cm tall how many times would they be able to fit laying down on the running track?</p>
