I have **highlighted** a few
I thought were ambitious.

FOUR SEASONS

Spring

The fields are rich with **daffodils**,
A coat of clover **cloaks** the **hills**,
And I must dance, and I must **sing**,
To see the beauty of the **spring**.

Summer

The earth is warm, the sun's **ablaze**,
It is a time of carefree days;
And bees abuzz that chance to pass
May see me snoozing in the grass.

Fall

The leaves are yellow, red and brown,
A shower **sprinkles** softly down;
The air is **fragrant**, crisp and cool,
And once again I'm stuck in school.

Winter

The birds are gone, the world is white,
The winds are wild, they chill and bite;
The ground is thick with slush and sleet,
And I can barely feel my feet.

The last is done, the next is here,
The same as it is every year;
Spring - then sunshine - autumn - snow
That is how each year must go.
