Chapter Sequencing

Put these events in the order in which they happened in the story, numbering them from 1 to 5. The first one has been done for you.

Back in Mr Penrose's living room, Dan and Seth tried to work their way out of the mess they were in.	1
The Time-Lock dials spun, the room twisted, and the boys were swept down a giant plughole.	
Dan and Seth listened to a conversation between themselves from the other side of Mr Penrose's living-room door.	
Seth and Dan observed themselves playing computer games.	
Seth decided that they needed to time travel back to the moment just before Dan opened the door to Mr Penrose's living room.
